PETITION FOR NATURALIZATION

To the Honorable the .... Court of .... at ....

The petition of .... hereby filed, respectfully showeth:

GENERAL INSTRUCTIONS

The officers placed in immediate charge of this work should first completely familiarize themselves with the form and its objects.

The first seven interrogatories are essential to the filing of the petition in the court having jurisdiction of the place of residence to be stated in Question 3. Therefore the applicant, whenever practicable, should be furnished with this form in duplicate and with its return be required to furnish the information complete in duplicate. It should then be reviewed carefully and the applicant summoned before the three officers.

All errors and omissions should be corrected, and the oath of allegiance signed in duplicate before the designated officer, who should insert the correct sovereignty in the oath. When preferable the form may be filled in by a third person in all respects except the signature. Two of these officers will act as affiants and the third officer will swear the applicant to the petition and oath of allegiance and the affiants to the time of military service, all in duplicate.

The applicant should be accorded full recognition as a citizen of the United States from the date of the taking of the oath of allegiance.

The affidavits covering the military service and the oath of allegiance required to be taken in accordance with the terms of section 1750 of the Revised Statutes may be taken in full compliance with the law under the provisions of Article 114 of the Articles of War as contained in the provisions of the act approved August 29, 1916 (chap. 418, U. S. Stat. L., vol. 39, pt. 1, pp. 619–669.) This article confers upon certain officers of the military establishment in foreign places the general powers of a consul of the United States in the administration of oaths, the execution and acknowledgment of legal instruments, the attestation of documents, and all other forms of notarial acts to be executed by persons subject to military law.

The affidavits of the witnesses should be made from the service record of the soldier and cover his entire period of military service. Example: Soldier inducted into the service August 5, 1917; later went to France, coming into his present unit March 30, 1918; and came under the observation of the two officers who act as affiants on June 2, 1918. The two affiant officers should certify from the records as follows: "August 5, 1917, to date." The affidavit is based upon the military records.

FOREIGN SOVEREIGNTIES AND TITLES OF THEIR RULERS.

Abyssinia	Lij Eyassu, King of Kings of Ethiopia.
Austria	Charles, Emperor of Austria and Apostolic King of Hungary.
Belgium	Albert I, King of the Belgians.
Bulgaria	Ferdinand I, King of the Bulgarians.
Denmark	Christian X, King of Denmark.
Germany	William II, German Emperor.

FOREIGN REPUBLICS AND FORM OF RENUNCIATION OF ALLEGIANCE.

Andorra	The Republic of Andorra.
Argentine Republic	The Argentine Republic.
Bolivia	The Republic of Bolivia.
Brazil	The United States of Brazil.
Chile	The Republic of Chile.
Colombia	The Republic of Colombia.
Costa Rica	The Republic of Costa Rica.

Attached hereto and made a part of this petition are my declaration of intention to become a citizen of the United States and the certificate from the Department of Labor, together with my affidavit and the affidavits of the two verifying witnesses thereto, required by law. Wherefore your petitioner prays that he may be admitted a citizen of the United States of America.
